Hi Jim,

We are awaiting confirmation from the state police that the upgrades have indeed gone through. I am sure that Major Connolly will inform us and you when your work week will be changing. Stay tuned for further developments.

Please don't hesitate to contact either myself or Joe if you need us.
Happy New Year

Marie Cunningham

James Hanchett sent a message using the contact form at <http://moses-ma.org/content/b-marie-cunningham>.

I am not sure who to contact about this. Chuck Salemi was my contact but now he is retired. Chuck had told me once upgrades have gone into effect (Chemist to Forensic Analyst) that we would have to go to the 40 hour work week from 37.5. My question, has the upgrades gone through and should we now work 40 hours per week.

Thank you,
Jim Hanchett
